4. PRAC APPLICATIONS:

• Item 23-05-01

• Tidal Health

J. Hartford presents a consideration of recommendation for the location of a new street within a subdivision.

Staff recommends The Planning Review and Adjustment Committee of the Southwest New Brunswick Service Commission give recommendation for the location of the new street to the Municipal District of St Stephen for their assent as shown on plan “TIDAL HEALTH SOLUTIONS LTD. Subdivision 2022-01.

Prerequisites for Development Approvals and Building Permits Regulation- Community Planning Act.

- 2) That the future use of PID 01230440 be limited to the current building and four (4) trailers, until such a time that all of trailers are removed from the same said parcel of land.
- 3) That at or near the southern and eastern boundary lines of PID 01230440, a 5-meter-wide landscaped buffer, including a fence, or hedge, or a shelter belt of trees be maintained and/or developed.

It is moved by V. Johnson and seconded by L. Thompson to accept staff recommendations to approve the variance, subject to the recommended conditions, with the addition to condition #3; the height requirement of the fence for the driveway; and the fence must be in place prior to the placement of trailers.

Carried-Unanimously

Item 23-05-06 **•Christopher Veinot, Terms and Conditions Application**

A Henderson presents a term and conditions application to expand the current campground to allow a total of six (6) campsites (3 currently in use).

Staff recommends The Planning Review and Adjustment Committee of the Southwest New Brunswick Service Commission approve the request by Christopher Veinot to permit the development of a campground use for three (3) additional campsites on the above-mentioned lot as part of a non-commercial campground development on PID 15189384, subject to the terms and conditions that:

- 1) That prior to the placement of any additional recreational vehicles or camping structures on the lot, a copy of the waiver or permit for the proposed development and the use of the existing on-site sewage disposal system to be submitted to the Development Officer in accordance with the *Prerequisites for Development Approvals and Building Permits Regulation-Community Planning Act*.
- 2) That prior to the placement of any additional recreational vehicles or camping structures on the lot, a copy of the waiver or WAWA permit for the proposed development within 30 meters of a wetland and watercourse be submitted to the Development Officer in accordance with the *Prerequisites for Development Approvals and Building Permits Regulation-Community Planning Act*.
- 3) That no additional campsites or dwelling units may be developed on the lot and that any future buildings, structures, or paving, not exceed a developed footprint of greater than 10% of the total lot area.

It was moved by B. Cornish and seconded by V. Johnson accept the staff recommendation of approval.

Carried-Unanimously

Item 23-05-07 **•Ron Fournier, Variance Application**

A Henderson presents a variance application requesting 5 cabins under 625 square feet, less than 150m from Route 127, for “Tourist Destination Development.”

Staff recommends The Planning Review and Adjustment Committee of the Southwest New Brunswick Service Commission approve the variance request by Ron Fournier to allow for the development of five (5) cabins (‘dwelling units’) on the abovementioned lot as part of a tourist destination development on PID 15214448 on the basis that request is reasonable, desirable for the development of land, and within the general intent of Provincial Building Regulation, subject to terms and conditions that:

- 1) That prior to the development of any dwellings on the lot, a copy of the approval for the on-site sewage disposal system be submit to the Development Officer in accordance

with the *Prerequisites for Development Approvals and Building Permits Regulation-Community Planning Act*.

It was moved by B. Cornish and seconded by V. Johnson to accept the staff recommendation with the amendment of four (4) cabins, not 5, as per R. Fournier.

Carried-Unanimously
